

São Jose dos Campos, February 13, 2014.

Dear colleagues

As you know, iMST14 is fast approaching. We have had several requests to extend the deadline, as many people are very busy right now (as are we all!). We have therefore agreed to extend the deadline to Feb 28th, 2014.

We have an exciting program planned, with a wide variety of topics and some exciting guest and invited speakers, as well as a comprehensive tutorial program for students and those new to the various fields.

We also expect to have a comprehensive list of invited speakers and contributed papers from all the fields cover in this workshop, which may include:

Andreas Muschinski
Bob Robinson
David Hysell
Edwin Campos
Erdal Yigit
Erhan Kudeki
Fabiano Rodrigues
Gunter Stober
Ilkka Virtanen
